SUBJECT: NURSING FACILITY BILLING GUIDE

Dear Provider,

We want to make both public and non-public Nursing Facilities aware of the AmeriHealth Caritas PA CHC-specific requirements for accurate claim submission. These requirements are necessary for accurate and timely processing of your facility claims for room and board charges, respite services, OME’s and exceptional durable medical equipment (DME) charges. Failure to adhere to the following guidelines may result in claim payment delay or denials.

Acceptable facility bill types

Item	Acceptable bill types
Bill type	21X
Bill type	26X

Billing facility days

When billing for Medicaid facility days, please adhere to the following guidelines:

Item	Billing facility days
Bill Rev Code	Bill all room and board charges with Revenue (Rev) Code 0100 and the total days along with the facility specific per diem rate.
Patient pay	Bill Value Code 23 and 66 if Participant patient pay is applicable. Value code 23 should be billed with gross patient pay responsibility. Value code 66 should reflect net patient pay. \$0.00 is an acceptable amount for Value Code 66.
Value Code 80	Bill Value Code 80 with the number of covered days. Add any other Value Code(s) applicable to Participant (i.e., 23, 25, 31, 34, 35).

Billing for non-covered days

When billing for non-covered days, please adhere to the following guidelines:

Item	Non-covered days
Value Code	Bill Value Code 81 with the number of non-covered days. Non-covered days include any days paid by other payer that would exclude us from any payment responsibility.
Condition Code	Enter condition code X4-Medicare denial on file.

Billing coinsurance days

When billing coinsurance days, please adhere to the following guidelines:

Item	Coinsurance days
Medicare prior payments	Show all Medicare paid amounts for coinsurance days on the claim as prior payments. This will allow the claim to coordinate payment between Medicare and Medicaid for the coinsurance days.
Bill Rev Code	Bill coinsurance days on Room and Board Line with Rev Code 0100 with dates of service covered by Medicare coinsurance . If billing with other Room and Board charges, a separate line is needed to show coinsurance days. Include charges and units. Billed days may be billed at facility per diem rate.
Value Code	Bill Value Code 82 with the number of coinsurance days.
Condition Code	Enter condition code X2. (X4 can also be billed along with X2)

PLEASE NOTE: WHEN BILLING FACILITY DAYS AND CO-INSURANCE DAYS ON SAME CLAIMS, PLEASE USE X2 CONDITION CODE.

Important reminders:

- Statement dates must equal Value Codes 80, 81, and 82 when billed.
- **EXCEPTIONS:**
 - If billed with **frequency 4**, the statement date and units **will not** match (due it being one unit less than the billed statement covered period).
 - If billed with any other **discharge status** other than **30**, the claim will not be denied for invalid billing (due to it being one unit less than the billed statement covered period).
- Value Codes 80 and 82 must have separate line items billed with appropriate Rev Codes that match values indicated for these Values Codes. Example: 15 facility days, and 5 coinsurance days would show with 2 lines billed, Rev Code 100 15 units, Rev Code 100 5 units.
- Total values billed with Value Code 80 and 82 must equal line item total units billed.

Billing for hospital reserve leave days

When billing hospital reserve leave days, please adhere to the following guidelines:

Item	Hospital reserve leave days
Leave limit	Hospital leave days are limited to 15 per hospitalization .
Rate reimbursed	Hospital leave days are reimbursed at 1/3 of your per diem rate .
Bill Rev Code	Bill Rev Code 0185 with number of leave days.
Bill Occurrence Code	Bill Occurrence Code 74 with date span matching date span participant was hospitalized.

Billing for therapeutic leave days

When billing for therapeutic leave days, please adhere to the following guidelines:

Item	Therapeutic leave days
Annual limit	Therapeutic leave days are limited to 30 days per calendar year.
Rate reimbursed	Reimbursement will equal your per diem rate .
Bill Rev Code	Bill with Rev Code 0183 with number of days.

Value Codes

The following is a list of Value Codes used to identify deductions to the Participant's patient pay liability. Value Codes should be entered in numerical sequence. Enter a whole dollar amount in each form locator when using Value Codes 23 through 66. Enter days for Value Codes 80, 81 and 82.

Value Codes	
23	Gross Patient Pay Amount
25	Drug Deductions
31	Lifetime Other Medical Expenses (related to facility services)
34	Other Medical Expenses
35	Health Insurance Premiums
