Re: Change in reimbursement for Normal, low and high calibration solution/chips (HCPCS code A4256)

To better align our payment with national standards, effective for dates of service October 1, 2021 and beyond, AmeriHealth Caritas PA CHC will change the reimbursement for HCPCS code A4256 as outlined below:

HCPCS Code	Description	Date of Service	Reimbursement
A4256	Normal, low and high calibration solution/chips	September 30, 2021 and prior	\$52.80/per unit
A4256	Normal, low and high calibration solution/chips	October 1, 2021 and beyond	\$6.26/per unit

If you have any questions regarding this notice, please contact your Provider Account Executive or Provider Services at 1-800-521-6007.
