**RE: COVID-19 Telemedicine Update**

As indicated in our notice of April 17, 2020, AmeriHealth Caritas Pennsylvania CHC is covering telemedicine as a delivery method for outpatient physical, occupational and speech therapy. As noted in that communication, we are continuing to follow any additional direction provided by the Pennsylvania the Department of Human Services (DHS). Therefore, following the guidance issued in the DHS Provider Quick Tips #229\* regarding Telemedicine effective dates, **AmeriHealth Caritas Pennsylvania CHC will cover the services outlined in the April 17, 2020\* notice; however rather than the 90 days mentioned, coverage will continue while a valid disaster declaration by the Governor related to the COVID19 virus remains in effect.**
